

PETTINICE RTR PINK ICING

OVERVIEW

Pettinice RTR (ready-to-roll) Pink Icing is a smooth and resilient fondant icing. With easy handling properties, no cracking and subtle vanilla flavour, the versatile icing dries matte and holds its shape for covering cakes or cookies, or moulding figurines and toppers.

The icing only needs to be kneaded lightly before rolling out to the desired size and thickness.

As well as standard white, the Pettinice range comes in a wide range of colours.
